Yes, I want to be a sustainer

Sustainers make a convenient, monthly contribution of as much as you want or as little as \$1 per month — which means no renewal notices! Becoming a Sustainer is an easy and efficient way for you to support CPSC with automatic payments from your credit or debit card. This means we'll deduct your designated contribution from your account until you let us know to stop or change it.

Make your contribution online right now at:

<http://www.cpscnc.org/EasyGiving>

Select monthly recurring gift on the right hand side of the page, select your amount, and click donate.

You can also return this reply card with your information and we'll set it up for you in our secure online system.

Your gift is 100% tax-deductible to the full extent of the law.
